

¿What is ASORE?

PUERTO RICO RESTAURANT ASSOCIATION

ASORE is a group of businessmen who have united to represent a commercial segment in Puerto Rico who have an interest in the business of selling prepared food to the public. We also represent those businesses that supply us the products to take directly to our clients. Among our members are found principle chains, and independent restaurants, cafeterias and bakeries.

ASORE's Vision

OUR VISION

"We are the reason of being for the Restaurant Industry of Puerto Rico and collaborators of it's development.

ASORE's Mission Statement

OUR MISSION STATEMENT

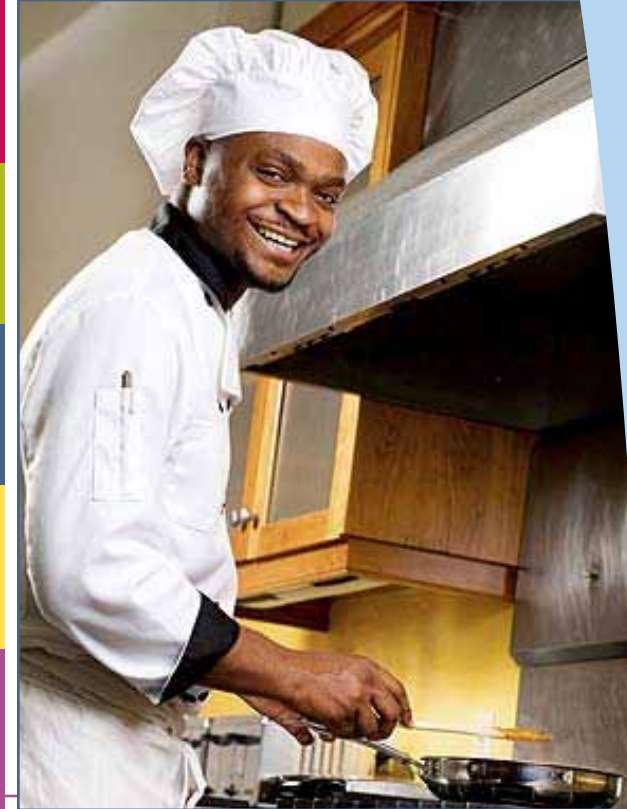

"Generate conducive actions to the growth and development of the Puerto Rico Restaurant Industry being tempered to the changes & developments of the puertorrican company and framed in the experience of the contemporary world".

A Message from the PRESIDENT

In the past 4 years ASORE has managed to incorporate businessmen of the Restaurant Industry that by it's characteristics, forms of operation, professional etiquette, good representation, collaboration & similarity of interest have achieved to be considered by the governmental authorities, agencies of the business sector and other institutions, like the spokesman of the gastronomic industry of the country.

We are convinced that his union will make us stronger and give us better representation to be able to continue defending the common interest of the industry, ASORE maintains a permanent invitation to all those interested in the gastronomic industry of the country.

Mr. Samuel Jové
President Board of Directors

What ASORE does for your business?

AT ASORE...

We establish good relationships between our members to undertake supportive actions of mutual benefit.

We maintain an effective communication with our member to achieve a better quality of service.

We provide the union and the institutional gesture to find solutions to common problems.

We detect, define & study problems that the industry faces.

We negotiate the opportunity for our industry before suppliers

We promote & care for the good image of our industry.

We maintain an active communication with all the agencies, institutions, associations, businessmen, media, governmental agencies and all those who have an interest in the gastronomic industry of Puerto Rico.
